Dear Dr. Tony Willcox,

I hope this letter finds you well and you are looking forward to the start of the 2009-10 NHL season. That said, I wanted to take a moment to tell you how fortunate I am, as the head athletic trainer for the Florida Panthers Hockey Club, to have Acupuncture Now as a trusted and reliable partner.

Quite frankly, Dr. Willcox is one of the most respected and dependable professionals in the business, and make me feel at ease when sending seasoned NHL athletes and even our president Michael Yormark, to Acupuncture Now for treatment.

Their technique has proven to be effective time and time again, helping to keep our players healthy while also providing them with tangible results. That said, if someone came to me looking for the best acupuncture treatment available, I would point them directly to Acupuncture Now.

Thank you for your time, have a wonderful day and go Panthers.

Regards,
